Cipher Master

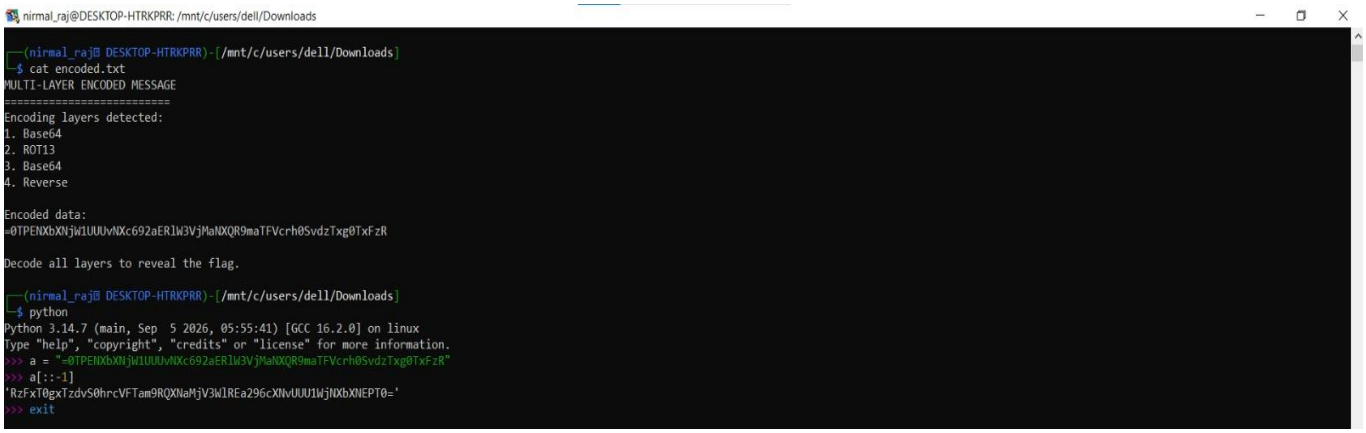

Category : Miscellaneous

Description :

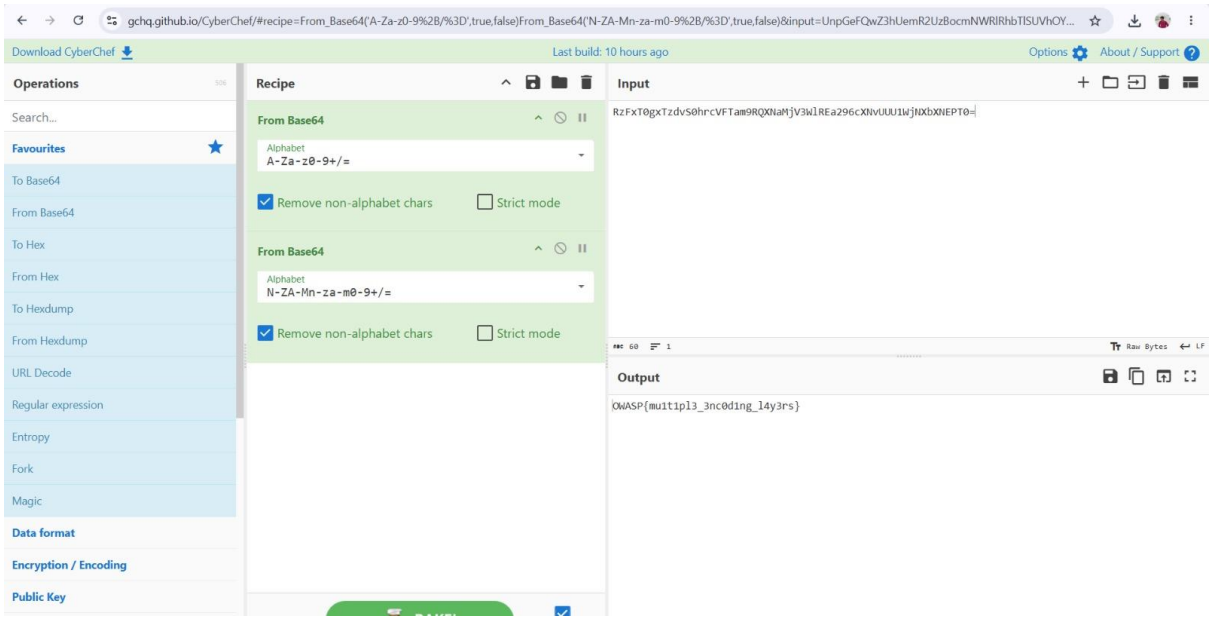

This message has been encoded multiple times with different methods. Can you decode all the layers and find the flag?

Layers: Base64 -> ROT13 -> Base64 -> Reverse

Step 1 : Opened the filed and reversed the base64 texts .

Step 2 : Used cyberchef to decode this

Flag : OWASP{mu1t1pl3_3nc0d1ng_l4y3rs}
